

# Kells at a Glance

*Since 1978, Kells Academy and its structured, yet adaptable curriculum has allowed students to confidently explore, thrive and succeed.*

*Unique in North America, Montreal flourishes at the crossroads of old-world culture and new world energy while its ideal size promotes both cosmopolitan openness and an intimate local culture.*

*Our students arrive from homes around the corner and around the world and find in Kells an open and inclusive community.*

*Be it the personal triumph of mastering a new subject, or the public celebration of a Kells student placing first in a national math competition, Kells students are setting new standards in academic achievement.*

*Engagement and personalized attention to each student and their families is a signature characteristic of the Kells Academy experience.*
