Junior Mathematics & Science Teacher

Kells Academy is seeking an innovative Mathematics and Science teacher with a passion for supporting young adolescents. We are searching for a candidate who is enthusiastic to shape the path of 7th and 8th grade students towards achieving their higher education goals.

The candidate will instruct both Junior Math and Science with a knowledge of how to develop a differentiated practice in the classroom. The ideal candidate will have an understanding of individual learning differences and a belief that with appropriate instruction all students can be successful. **Candidates must include a copy of their valid Quebec Teaching Permit.**

Teaching Responsibilities:

- Understand and apply the curriculum objectives, protocols and culture of Kells Academy
- Prepare, coordinate and instruct Mathematics & Science lessons in line with MEES
- Incorporate technology in the classroom
- Support objectives and maintain standards set by the Mathematics & Science Department
- Communicate regularly with administration, parents and students regarding student progress

Qualifications

- Undergraduate degree in education or a relevant field of study
- Quebec Teaching Permit
- Be up to date on the most recent advances in technology in the classroom

Please submit your letter of application and curriculum vitae to:
